## BEER Spy

[in.worldclassbeer.com/beerspy](http://in.worldclassbeer.com/beerspy)

Beer Spy lets you search for your favorite beers by brand, style or name. Then Beer Spy tells you the most recent places to buy that beer, based on actual brewery deliveries to bars, restaurants and stores in Indiana - draft or package. And we update the locations every day! So when you need to find a favorite beer, explore some new beers or you just want to learn more about beer - Beer Spy has you covered!

Looking for a local product from start to finish? Look no further than Sugar Creek Malt Co., based out of Lebanon. This malthouse opened this year and is working with 11 farmers within a 200 mile radius to produce 200 acres of grain—like barley, rye and wheat. These grains are then malted on their farm in small batches and sold to Indiana craft breweries. It doesn't get much more local than this folks!

USE BEER SPY TO  
LOCATE GREAT CRAFT  
BEER NEAR YOU.
